

Rebates for your home

Smart and simple ways to save

Whether you're making a small upgrade or investing in long-term home improvements, energySMART, a Nicor Gas program, offers rebates to help you save energy and stay comfortable at home.

No matter where you are in your energy efficiency journey, we make it easier to save.

*AFUE = Annual Fuel Utilization Efficiency
†EF = Energy Factor

FURNACE

You must work with an energySMART approved contractor to get these improvements. Use our [Find a Contractor tool](#) to locate one near you.

For a full list of qualified products and more information, visit nicorgasrebates.com or call **877.886.4239** to learn more.

Find a Contractor

With over 300 local contractors listed, you're sure to find someone who can help near you.

Follow three simple steps to receive your rebate:

1. Find a contractor

- All products must be professionally installed.
- Find approved contractors near you at nicorgasrebates.com/findacontractor

2. Install

- Confirm your new product qualifies at nicorgasrebates.com/home
- Install qualifying products between January 1, 2018 and December 31, 2018.

3. Start saving

- Apply for product rebates online or print and mail the application.
- Submit your application, including the contractor invoice, within 90 days of installation or by January 31, 2019, whichever comes first. You will receive your rebate check approximately six to eight weeks after your application has been reviewed and approved.

Start saving right away

When you work with a qualified Contractor Circle member, you can receive an instant discount instead of a receiving a rebate check.

- Air sealing and insulation improvement rebates are only available as an instant discount. Your contractor will apply the rebate directly to your invoice.
- Ask your contractor about instant discounts for other products.
- Find a Contractor Circle member to complete your project at nicorgasrebates.com/findacontractor

Do you own a multi-family property?

Multi-family properties may be eligible for rebates too! Call 877.886.4239 today to discuss your eligibility with a representative.

Receive a loan to help with new energy efficiency projects

We offer you on-bill financing to help you cover the cost of energy-efficiency equipment and improvement. Installments on the loan are conveniently applied to your monthly Nicor Gas bill.
